2 hour class	\$33.65	\$61.90
2.5 hour class	\$42.05	\$77.40

Fees effective 1 July 2018-30 June 2019

Price Review

All centre fees and charges undergo an annual pricing review.

- The cost of 46 program weeks is divided evenly over 52 weeks (25 fortnightly payments).
- For example; \$18.70 per week x 46 weeks / 25 fortnights = \$34.40 per fortnight.
- Debits therefore occur beyond the program dates.
- The intent behind the 25 fortnightly debits per year is to minimise the cost impact to families by reducing the value of each debit.

Membership Inclusions:

Each Gymnastics member receives:

- One Gymnastics lesson per week
- Unlimited pool access to the [Boroondara Leisure and Aquatic Facilities](#) (supervision requirements apply)
 - [Ashburton Pool and Recreation Centre](#)
 - [Boroondara Sports Complex](#)
 - [Hawthorn Aquatic and Leisure Centre](#)
 - [Kew Recreation Centre](#)

General Information:

- 46 program weeks per year.
- Membership fees are paid by fortnightly direct debit.
- Each fortnightly payment covers the day of payment plus the following 13 days.
- Lessons are not conducted on public holidays.

Gymnastics Membership – Direct Debit FAQ's

Why do you spread the debits across the whole year?

By spreading the cost of 46 program weeks over the whole year the cost of each fortnight is reduced.

By lowering the value of each fortnightly debit our aim is to lessen the financial impact on the family fortnightly budget.

Why am I debited in early January when there are no lessons?

The total cost of 46 program weeks is spread evenly over 50 weeks (25 debits). Therefore debits will occur during the non-program weeks.

I.e. \$18.70 per week x 46 weeks / 25 fortnights = \$34.40 per fortnight.

Membership benefits remain active during non-program weeks.

Why do you run lessons for 46 weeks of the year?

We believe students who participate in structured lessons more frequently become safer and more proficient in fundamental movement patterns. Learning confident body movement is a continual process; it takes time, patience and practice.

Continual skill development without extended break periods aids uninterrupted learning to constantly build skills.

What happens if my lesson falls on a public holiday?

Lessons are not run on gazetted public holidays. When lessons fall on a public holiday, your fortnightly direct debit is reduced accordingly.

Why can't I suspend my Gymnastics lessons during early January?

You are not paying extra for the non-program weeks of January.

The cost of the 46 program weeks is spread over the whole year (50 weeks = 25 fortnights). The debits that occur during the non-program periods are capturing program weeks only.

By maintaining your membership over the non-program weeks your same lesson day and time is guaranteed.

Your membership benefits are still active during the non-program weeks. This includes unlimited pool entry for the member at any of the YMCA's in the City of Boroondara (supervision requirements apply).
